Song of the Month
Arrangement Ross Nickerson

The diagram illustrates the timing of a 1000 Hz signal and a 100 Hz signal. The 1000 Hz signal is represented by a high-frequency square wave, and the 100 Hz signal is represented by a lower-frequency square wave. The diagram is divided into two sections. The first section shows the 1000 Hz signal for 10 cycles, with the 100 Hz signal for 2 cycles. The second section shows the 1000 Hz signal for 10 cycles, with the 100 Hz signal for 2 cycles. The 100 Hz signal is labeled 'SI' and '2 3'.
